**Project Title OC District Council Meeting** HOURS: 60 DOLLARS SPENT: \$100 IN KIND DONATIONS: \$50

WCOF got such a kick out of hosting this meeting as well as pride in what our club and community offers to the greater body of clubs and the district organization. We came together as a group to support the efforts of the President, vice -president and other officers had created to bring an inspirational time to those who attended. The star motif established by the district was such a great idea and fun to make centerpieces for and other decorations.

**Project Title June Orientation Brunch Meeting.** HOURS: 55 DOLLARS SPENT: \$30 IN KIND: \$200

Deep dive into the purview of each of the committees. Outlines of scope, responsibilities, history were provided in a workbook. A half hour of break out sessions. We helped each other brainstorm and thought of who in the club might be excited about particular endeavors within the committees.

Good food and fellowship energized the day.

**Project Title GFWC Annual Summer Conference** HOURS: 140 DOLLARS SPENT: \$200 IN KIND \$100

In August members of the WCOF attended the summer conference. Everyone who attended was glad to have been in such a welcoming venue. The speaker, "Where's the Beef" ad team director, gave us such great pointers on advertising the Woman's Club brand. We all dug deep into the questions he posed. Stimulating Discussion followed within the members attending. We took insights back to the club at large and challenged the group to think of ways to implement ideas in our brand marketing.

Speakers throughout the day enlightened us as to how to be effective in the many outreaches represented. It was a very beneficial event and beautifully organized.

**Project Title: Board & General meetings** HOURS: 624 DOLLARS SPENT \$400 IN KIND \$1,500

The ladies of the Woman's Club of Fullerton conducted Board Meetings on Zoom and General Meetings in person. The President prepares the meeting agendas and board members vote on upcoming club business. At our General Meeting, we encourage members to invite a friend to enter a new raffle, this tactic has helped us bring in new members to join the club. We start out our meeting by introducing new members and welcoming guests, we go around the table and encourage members to tell us one thing they are happy about. At our general meeting, we go over the agenda and typically have a guest speaker and/or a member activity which is organized by our 3rd VP/Programs. We conclude our meeting with raffle prizes donated by members and sell tickets for members to enter the drawing. We enjoy ourselves during our meetings and make our meetings fun and energetic. We pride ourselves on the sisterhood that we all share and all the good work we do in our community.
